Voyager Annual Insurance™

The Coverage You Need for Your Travels

Are you always on the go? Voyager Annual Program™ allows you to travel with the comfort of knowing that you have coverage any time that you are more than 100 miles from home. Medical emergencies, cancelled flights, lost or delayed checked luggage can conspire to ruin any trip. You don't have to face these hassles alone, Voyager can help!

Medical Benefits and Assistance

No one plans to get sick or injured while traveling away from home, but it can happen to anyone. The Voyager Program includes 24/7 Medical Assistance services to help you find a local doctor or hospital to get you the treatment you need. If you are away from home and need emergency medical evacuation to the nearest hospital or your home for medical care, the Voyager Program will cover the approved expenses up to the policy limit.

Travel With the Coverage You Need!

Bad weather, mechanical problems, or delayed flights can leave you stranded with few options. With the Trip Delay benefit in the Voyager Program, you are covered for reasonable additional expenses while you are stuck far from home.

Nothing ruins a business trip or vacation getaway like losing your checked luggage. The Lost or Delayed Checked Luggage benefit on Voyager's Program lets you travel knowing that you are covered if your baggage is lost, stolen or delayed while you are away from home.

Adventure Seeker?

Maybe sitting by the pool or trying a few restaurants is not your idea of a fun and exciting vacation. Upgrade your Voyager coverage to include the Optional Hazardous Activity Coverage for activities usually excluded on travel insurance plans, including sky diving, amateur racing, and mountain climbing.
